

# IN CASE OF FIRE

## FIRE IN YOUR OWN HOME

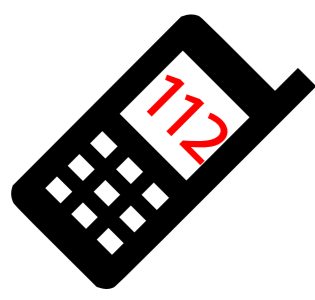

**SAVE**  
those in danger

**EXTINGUISH**  
with the nearest  
portable fire extinguisher

**LIMIT**  
the fire by closing the  
doors and windows

**ALERT**  
the rescuers to come  
to the place from a safe place

**ALERT**  
the neighbours

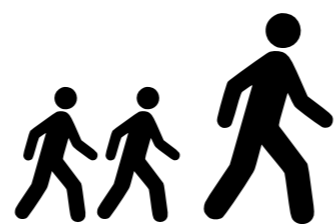

**GUIDE**  
the rescuers to the  
place

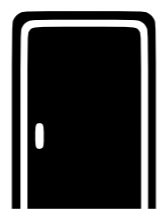

## FIRE IN ANOTHER FLAT

**ENSURE**  
that rescue  
is coming

**GO OUT**  
calmly,  
never use an elevator

**CLOSE**  
the door  
of your flat

### IF THERE IS SMOKE IN THE STAIRWAY:

- Stay in your flat
- Stuff up the door to the stairway with a wet towel for instance
- Signal your presence to the rescuers at the window or balcony
- Keep calm and wait for the rescuers

## EMERGENCY ALERT How to make it

**MAKE THE EMERGENCY CALL**  
yourself, if possible

**TELL**  
what has happened

**TELL**  
the exact address and municipality

**ANSWER**  
the questions

**ACT**  
following the instructions given

**HANG UP TO END**

the call only when you are told to do so
